

Jesus' Last Visit to the Temple

Make It

You Need:

- scissors
- pencil
- crayons, colored pencils or markers
- Bible
- Blank book (on the next 2 pages)
- stapler

Directions:

Print out the blank book. This book will be about the two illustrations Jesus used to teach people from our lesson story this week. Look up the verses in the Bible and read each one then draw a picture that illustrates what Jesus is talking about. Then on the next page where it says "I learned that:" write or draw what you learned about Jesus from the illustrations. Once you have done the writing and drawing choose a title for your book and fill in your name as the author and illustrator. Next cut your book pages apart on the dark black lines all the way across. Then staple your book together on the left side.

Do It

Plant some wheat and watch it grow.
