

Jesus Tells Some Stories

Make It

Option A – A Clay Lamp

You Need:

- air dry clay

Directions:

Form a lamp from the clay.

Option B – A Plastic Lamp

You Need:

- attached craft sheet and items listed there

Directions:

Follow directions on craft sheet

Do It

You Need:

- Flash light
- 5-7 items to hide

Directions:

Hide the 5-7 items around you house after dark. Then each person needs a flashlight. Turn off all the lights and use your flashlight to find the items that are hidden.

Lamp

*Jesus teaches us to keep our lamps ready!
To remind us of that, make a fun lamp.
(Adult help is needed).*

You need:

- Battery operated tea light
- empty, clean plastic herb seasoning container or small juice bottle with lid removed
- Hot glue gun and glue
- Optional - Stickers and sharpie

Directions:

Use a glue gun to attach the mouth of the bottle to the top of a tealight. Let it dry for a bit. When switched on, the light will shine up inside of the jar and will be a mini lantern that children can decorate with stickers. An adult or older child can use a Sharpie to write a Bible verse on it too.
